

## **Nsukka Working Papers in Language, Linguistics, and Literature (NWPLLL)**

### ***About the Journal***

Nsukka Working Papers in Language, Linguistics, and Literature (NWPLLL) is a peer-reviewed journal of the Department of Linguistics, Igbo and Other Nigerian Languages, Faculty of Arts, University of Nigeria, Nsukka. NWPLLL is essentially devoted to topical issues emanating from postgraduate doctoral seminar discourses coordinated by the Postgraduate Committee of the Department. The journal has as its goal to publish original articles that make clear contribution to current debate in all branches of theoretical linguistics and literature. It also provides in each volume an excellent survey of recent linguistic and literary publications marking important theoretical advances. The journal welcomes original scholarly contributions on all aspects of linguistics, literature and African language studies, synchronic as well as diachronic, theoretical as well as empirical or data-oriented scholarly researches.
